AWARD WINNING DESIGN

Fully Winterised Motorhome - insulated for sub-zero use. Wild Camping Ready - low power design maximises 12v systems for longer use without mains electricity.

WILDAX Europa

This motorhome is built as standard on the 6 speed manual Citroen Relay however there is an optional upgrade to the Fiat Ducato 9 speed automatic. All vehicle specification is the same as the Citroen however the Fiat is a newer model (2022 model) therefore some aspects such as the dash board will be different. Full details are on our website.

The WildAx Europa has been designed with detail in mind with a bright and modern feel inside. All areas have been looked at in detail with many new innovations evident in the design.

The latest technologies and products are used in Europa, giving it a great payload of approx 400 kg available. The layout is a very inviting rear U shaped lounge with ample seating for 4 people in comfort. Additionally the cab seats rotate to offer a front seating area should you wish to leave the bed made up in the rear!

Dimensions
Length – 6.36m
Width – 2.05m
 (without mirrors)
Height – 2.75m (approx)
Beds
 Double configuration
Approx 6ft 4 long by 6ft wide

The rear seating area is a large and comfortable area which transforms easily into either 2 single beds or a large 6ft 4 inch double. The combination of lots of side and roof windows and a bright modern colour scheme enhance the open feeling in the van. The washroom is made from a custom designed hard wearing fibreglass and uses our unique waterproof door which removes the need for a shower curtain making the room large enough for a comfortable shower. The washroom is also fitted with multiple accessories and a useful storage cupboard. The latest Thetford cassette toilet with trolley cassette is fitted for ease of use.

The kitchen offers a huge fridge freezer, microwave, 3 burner hob and oven with great storage areas in the form of drawers and a sliding larder.
