## WILDAX Pulsar

This motorhome is built as standard on the 6 speed manual Citroen Relay however there is an optional upgrade to the Fiat Ducato 9 speed automatic. All vehicle specification is the same as the Citroen however the Fiat is a newer model (2022 model) therefore some aspects such as the dash board will be different. Full details are on our website.

The Pulsar is a true car replacement motorhome. Unlike many similar sized motorhomes the Pulsar comes equipped with a full kitchen, washroom and shower along with an adult sized double bed and 4 belted travel seats. The Pulsar also has loads of storage space for all your belongings with generous storage in the kitchen and large high level cupboards all round.

The rear travel seats slide in seconds to become a large 6ft2 long double bed or also into 2 sofas so that you can sit around the tables for a meal!
