AURORA
RANGE

A VERSATILE DESIGN THAT ALLOWS TWO SEPARATE AREAS

The Aurora Range: Aurora • Aurora Leisure • Aurora XL • Aurora Leisure XL

WILDAX Aurora Range

This motorhome is built as standard on the 6 speed manual Fiat Ducato 140Bhp, with an optional upgrade to the excellent 9 speed automatic gearbox. Full details are on our website.

The Aurora range is built on two lengths with two rear layouts. The Aurora has a large 6ft 2" by 4ft 6" rear fixed folding bed which offers a huge under-bed storage area accessed from the rear, the front or by lifting the bed which clips up in the vertical position.

The Aurora Leisure differs in that the rear area is made up of two sofas which slide together to form a double bed. This gives you the added seating area to the rear of the van with ample storage under the seats.
