Vehicle Standard Specification

The 6 speed manual Fiat Ducato is a great quality vehicle giving more than enough power and very low emissions. Running costs are low with one of the best fuel economy figures on the market with figures reported in excess of 40 mpg by our customers.

Europa - 5.99m Europa XL -6.36m

The rear seating area is a large and comfortable area which transforms easily into either 2 single beds or a large 6ft 4 inch double. The combination of lots of side and roof windows and a bright modern colour scheme enhance the open feeling in the van. The washroom is made from a custom designed hard wearing fibreglass and uses our unique waterproof door which removes the need for a shower curtain making the room large enough for a comfortable shower. The washroom is also fitted with multiple accessories and a useful storage cupboard. The latest Thetford cassette toilet with trolley cassette is fitted for ease of use.

The kitchen offers a huge fridge freezer, microwave, 3 burner hob and oven with great storage areas in the form of drawers and a sliding larder.

Travelling Layout

Night Time Layout

The WildAx Europa has been designed with detail in mind with a bright and modern feel inside. All areas have been looked at in detail with many new innovations evident in the design.

The latest technologies and products are used in Europa, giving it a great payload of approx 400 kg available. The layout is a very inviting rear U shaped lounge with ample seating for 4 people in comfort. Additionally the cab seats rotate to offer a front seating area should you wish to leave the bed made up in the rear!
