SOLARIS XL

AWARD WINNING DESIGN

The SOLARIS XL is fully winterised and wild camping ready

WILDAX Solaris XL

This motorhome is built as standard on the 6 speed manual Fiat Ducato 140Bhp, with an optional upgrade to the excellent 8 speed automatic gearbox. Full details are on our website.

The award winning Solaris XL offers a highly flexible design for a family of 4. With long bunk beds in the rear (up to 6ft 8!) and a full double bed in the front sleeping accommodation is excellent. There is a full size kitchen with lots of storage and worktop space incorporating a full height fridge/freezer, oven and sink. Storage all round is excellent with cupboards under the beds and around the top of the motorhome. Finally lounging is taken care of in the front where the travelling seats easily convert to sofas with the cab seats revolving round to face the rear.

The design offers drawers in the place of cupboards where possible to give a greater access to storage in many of the harder to get to places. This has come from feedback given by WildAx owners! For travelling there are two single belted travel seats in the rear that quickly slide into a sofa or the double bed.

Dimensions
Length - 6.36m
Width - 2.05m
Height - 2.75m
Internal height - 1.90m
Beds double configuration
Approx 6ft 4 long by 6ft wide

Vehicle Standard Specification

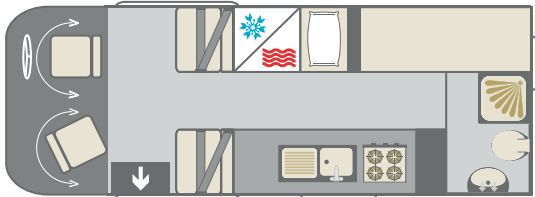

The 6 speed manual Fiat Ducato is a great quality vehicle giving more than enough power and very low emissions. Running costs are low with one of the best fuel economy figures on the market with figures reported in excess of 40 mpg by our customers.

Another storage area can be found at the rear behind the bunks to give handy space for all those items you need to access from the outside like hook up leads, chairs, hoses and levelling blocks.

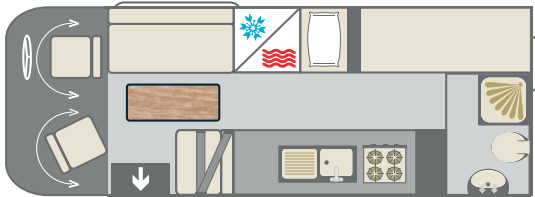

The front double is folded down from the travel seats (not using the cab seating) in less than a minute. This provides a flat and comfy double bed, larger than a double mattress at home!

The kitchen is one of the key selling points of the motorhome with huge work surfaces, a large sink with built in drainer and a full cooker perfect for family meals! Lots of storage in the form of drawers and cupboards give room for extended trips away in the van. The washroom is a full wet room with storage and has the addition of a second door to be accessed from the rear of the van. You will also find a robust fibreglass shower tray housing a cassette toilet.
